## NOTES

\*Tokens for lights may be purchased at the County Clerk's Office during business hours and at Corner Drug. If you are caught using tokens other than those sold by the Teton County, ID Fair Board, you will be turned over to the authorities.

Activities requiring insurance must have a 1 million dollar policy with Teton County, Idaho Fair Board named as additional insured.

Exclusive uses require reserving the Pavilion. There are some usages which have to be exclusive by nature of the use, because no one else can safely use the arena – barrels, roping, and dummy roping devices.

\*\* Non-agricultural commercial users will be evaluated on a case by case basis pending Fair Board approval. These uses must not adversely affect local store front businesses and must provide benefits to the Fair Board's cash flow.
